

**Sheridan**  
Construction

# University Credit Union

Orono, Maine

**Client Name**

Town of Orono, Maine

**Delivery Method**

Construction Manager

**Designer**

WBRC Architects/Engineers

**Project Size**

18,000 sf

The Sheridan Corporation was selected by the Town of Orono, Maine to be the Construction Manager for a new 18,000-square-foot, multi-tenant building, intended to be used as UCU's main administrative office.

Additionally included in the construction of this space is a 76-space public parking facility. A general plaza has also been included in this project, intended to enhance the downtown atmosphere of Orono, Maine.

**Building on our promise.**
