Construction

# Cargex Federal Express

Portland, Maine

**Client Name**

Cargex

**Delivery Method**

Design-Build

**Designer**

Sheridan Construction

**Project Size**

19,200 sf

Sheridan Construction was selected by Cargex properties to build an Air Ground Transportation and Trucking Facility at Portland's international Jet port.

This two-story 19,200-square-foot facility includes truck and dock loading, aircraft parts and maintenance area, agents office, and vehicle maintenance area.

**Building on our promise.**
