Varying

After completing Delta Ambulances modernized facility in Augusta, Maine, Sheridan started a new project for Delta in Waterville, Maine.

Located on land granted by Maine General Medical Center, across the street from their old location, where they spent the better part of 40 years, Delta Ambulance has a new home in Waterville, Maine.

These projects feature Parking bays for the Ambulances, General storage space, mechanical room, conference rooms, and lounge space.

**Building on our promise.**
