Sheridan Construction

**Project Size**

20,000 sf

First park, a 20,000-square-foot Premier Business and Technology Center located in Oakland, Maine.

This opportunity was created by the Kennebec Regional Development Authority, which represents all 24 communities that have participated in the development of the business park.

This new building features premium office space for prospective tenants, with the intent to create jobs within our communities.

**Building on our promise.**
