Construction

# Distribution Warehouse

Winthrop, Maine

**Client Name**

Progressive Distributors

**Delivery Method**

General Contractor

**Designer**

St. Onge, Ruff & Associates

**Project Size**

234,000 sf

The Sheridan corporation constructed Hannaford Supermarkets flagship distribution facility for the state of Maine. The 40-foot-tall, 198,000-square-foot distribution warehouse is located in Winthrop, Maine.

This project also features a two-story 36,000-square-foot addition, housing corporate offices and support functions. Construction for Progressive distributors finished in 1989.

**Building on our promise.**
