

**Sheridan  
Construction**

# University Credit Union

Katahdin Block Redevelopment

**Project Location**

Orono, Maine

**Delivery Method**

Construction Manager

**Designer**

WBRC Architects/Engineers

**Project Size**

18,000 sf

Sheridan Construction was selected by UCU to be the Construction Manager for a new 18,000 square foot, multi-tenant building, intended to be used as UCU's headquarters.

Additionally included in the construction of this project is a 76-space public parking facility for the town of Orono. A central plaza has also been included which has enhanced the downtown atmosphere.

**Building on our promise.**
